As a citizen of the Beech Grove Community I am appealing the decision of the U.S. Postal Service to close the Beech Grove Post Office. This facility is the focal point of the community, it provides a valuable service and would allow for a miniscule savings by the Postal Service if closed. The Service provided by the Beech Grove Post Office far outway the tiny savings that would be realized in closing it. Businesses and households will be mostly impacted and we as a Community Appeal to you to change your position on this closing.
